## How to play it?

Move your Zaphir gently holding it by its cord or suspend it and it will play with the wind carrying you away in an unexpected melody. Either way, the astonishing relaxing sound may leave you in quiet wonder. You can also use a chime stand.

Each Zaphir produces it's own sound influenced by the 5 Feng Shui elements and seasons. Crytalide (Spring), Sunray (Summer), Sufi (Intermediary, Late Summer), Twilight (Autumn) & Blue Moon (Winter)

## Your Zaphir Twilight - Autumn:

The Twilight with it's slightly deeper base melody and some high overtones reminds of a sunny autumn walk. It is ideal for mindfulness training. Red stands for love, passion, courage, and strength.
